

Piranhaflex Bonding Capabilities

- All Piranha hose sized 1/4" through 1" ID are available to be bonded upon request.
- All non-standard products are treated as a made-to-order item and require a special quote.
- Split-Back ends are provided; typically as lengths of 12", 18" or 24" for ease of coupling and assembly.
- Intermittent bonding can also be provided in lengths to meet your applications needs.

Color coding of multi-line hose packs is available for identification and easy hook-ups.

Combinations of same or different ID's can be provided in a ribbon type configuration.

CUSTOM TWIN AND MULTI-LINE HOSES ARE AVAILABLE UPON REQUEST AND ARE MADE TO ORDER.

Because we continually examine ways to improve our products, we reserve the right to alter specifications or discontinue products without prior notice.
